

OABGC PLAYERS OF THE WEEK FOR JANUARY 25

The Orrville Area Boys and Girls Club announced its second players of the week for the winter basketball league. The boy was Mike Barr, a 6th grader from Orrville, and the girl was Sonja Lanier, a 6th grader from Apple Creek. Both of these players had outstanding weeks for their teams. Michael had numerous hustle plays this week and many key rebounds during his teams' contest this past weekend. His non-stop hustle and never give up attitude along with his unselfishness garnered him the honor. Sonja led her team in scoring and displayed a positive attitude toward not only her team but their opponent in leading her team to a key victory over the weekend. Both of the kids have a positive attitude and display excellent sportsmanship on and off the court. Congratulations to both as they will each be issued a Red Rider basketball jersey, a free ticket to the Orrville Red Rider boys basketball game, and money at the concession stand for whatever they would like. Again, a special thanks to Head Boys Basketball Coach Sly Slaughter for providing the prizes for the members.
